LAWR Seminar Series – Winter 2010

May be taken as SSC 290-026, CRN 61429

First meeting January 6, 4:10 pm, 2005 PES

We have an exciting list of speakers lined up for seminar this year. We have guest speakers presenting on alternate Wednesdays. The schedule of speakers can be found at: [http://parikh.lawr.ucdavis.edu/2010LAWRSeminarSeries.html](http://parikh.lawr.ucdavis.edu/2010LAWRSeminarSeries.html)

There will be a discussion one week prior to each speaker where we will discuss papers relevant to the upcoming speaker presentation. These discussion sections will meet in PES 2005 alternate Wednesdays at 4:10pm with a student and faculty member serving as leaders for the discussion session.

**Our first meeting will be 1/6 at 4:10 pm in 2005 PES** to discuss the attached paper in preparation for our first Seminar which will be given by Emanuel Epstein (1/13). **Please read the attached paper and be prepared to discuss.** In preparing for class please prepare 3 questions you would like to address related to the paper(s) (e.g., on experimental methods, data analysis, research significance). Dr. Wendy Silk will be the faculty leader for this session.

Please let me know if you have any questions regarding our first meeting.

Best Regards,
Sanjai Parikh
