Check all awards you would like to be considered for:

_____ Stipend Fellowship

_____ In-State Fee Fellowship

_____ Non-Resident Tuition Fellowship

_____ Work-Study (covers part of the cost of a GSR; requires matching funding from MP)

(To be eligible for work-study, you must be a US Citizen or permanent resident, file a FAFSA, and have demonstrated financial need.)

What support (GSR, TAs, sponsorships, non-GGHA fellowships, etc.) are you expecting for 2017-2018?
(You don't need to include personal funds, loans, etc.)

We understand this may be uncertain, but please talk with your Major Professor and give us your best guess. Be as specific as you can, with an estimated monthly amount for stipend/salary, and an indication of whether or not your fees and tuition will be covered; some examples: "Fall and Winter: GSR paying \$1,000/month before taxes," "Spring: \$500/month stipend - Golden Fellowship," or "All year: full fee and tuition fellowship and \$1,200/month stipend fellowship from outside sponsor, Conacyt."

If you have submitted your 2017-2018 Student Support Survey, you can enter "see Student Support Survey."

Please submit this application to Lisa Brown, lfbrown@ucdavis.edu, along with:

– **A brief statement of progress (approximately one page).** Let us know how your studies and/or research are going, your plan of work for the next academic year and your plans for your future occupation or profession. Include any information that you think may help us to evaluate your application.

– **A brief statement of what fellowship support you would like to receive (aside from full support).** It will help us if we know you are in need of as much support as possible (which would likely be no more than one quarter's support, and probably less), or if you need your non-resident tuition covered one quarter when you TA, or if you just need a small monthly stipend to supplement an outside scholarship, or if your Major Professor needs us to supplement your salary for one or more quarters, etc.

– You may also attach a cv or resume, if you wish. You do *not* need to submit a transcript.
