

Graduate Group in Horticulture & Agronomy - Annual Student Support Survey
Support/anticipated support for July 1, 2022 - June 30, 2023

Student _____

MS PhD

Major Professor & Department _____

Please fill out the form showing quarter by quarter support; you should not include loans. The information you provide will be used to evaluate patterns of student support, and is intended to provide the student with the best available knowledge about his/her funding for the upcoming year; it is not a contract. We realize funding may be uncertain, but please indicate what support you and your Major Professor expect to be available.

Be sure to include any expected fellowships/scholarships/financial support from outside agencies or institutions (names and amounts), in addition to funding *already* awarded through UC Davis. Do not include fellowships specifically provided to support research expenses (e.g. Jastro Research Awards) or travel awards -- or fellowships you are hoping to receive from GGHA that haven't been awarded yet.

For employment, it is important to include the monthly salary before taxes (use the 2021-22 salary rates) and the % of the TA or GSR -- and the expected Step, if a GSR. You can find your current appointment information in UCPath to use as a reference, you can ask me about your current/most recent step, and you can find the current salary scales (showing salaries for 100% GSRs) at <https://grad.ucdavis.edu/understanding-your-student-salary>, but you need to have a discussion with your Major Professor about whether your % and Step will be different next year.

Please return this form to Lisa Brown (lfbrown@ucdavis.edu) no later than **June 3, 2022**, if you are applying for a Horticulture & Agronomy fellowship for 2022-2023, or July 15, 2022, if you are not applying for a fellowship.
